

## Compact RMS output accelerometer

### Dynamic

|                                  |               |
|----------------------------------|---------------|
| FSO, ±10%, 25°C.....             | 16 mA         |
| Acceleration range .....         | 50 g RMS      |
| Amplitude nonlinearity.....      | 1%            |
| Frequency response:              |               |
| ± 10%.....                       | 3 - 5,000 Hz  |
| ± 3 dB.....                      | 1 - 10,000 Hz |
| Resonance frequency.....         | 32 kHz        |
| Transverse sensitivity, max..... | 5% of axial   |
| Temperature response:            |               |
| -50°C.....                       | -10%          |
| +85°C.....                       | +10%          |

### Electrical

|  |                                       |
|--|---------------------------------------|
| Power requirement: voltage source .....  | 18 - 30 VDC                           |
| Electrical noise, Broadband Spectral(g): |                                       |
| 3 Hz to 10 kHz.....                      | 50mg RMS                              |
| Load Resistance.....                     | 50(Vs-12) Ω                           |
| Bias output current.....                 | 4 mA                                  |
| Grounding.....                           | case isolated,<br>Internally shielded |

### Environmental

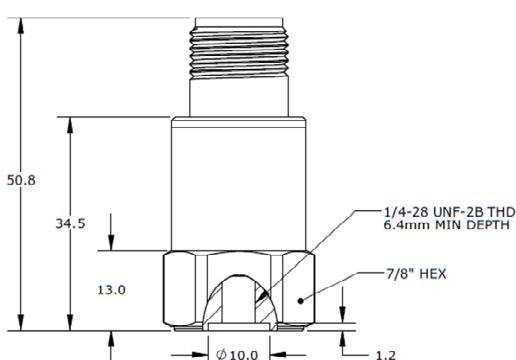

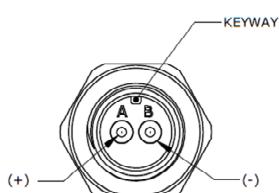

|   |                  |
|---|------------------|
| Temperature range.....                          | -50 to 85°C      |
| Vibration limit.....                            | 500 g peak       |
| Shock limit.....                                | 5,000 g peak     |
| Electromagnetic sensitivity, equiv g, max ..... | 70 µg/gauss      |
| Sealing .....                                   | Hermetic         |
| Base strain sensitivity, max.....               | 0.0002 g/µstrain |

### Physical

|                             |                      |
|-----------------------------|----------------------|
| Sensing element design..... | PZT ceramic/shear    |
| Weight.....                 | 80 grams             |
| Case material.....          | 304L stainless steel |
| Mounting.....               | 1/4 - 28 UNF         |
| Output connector.....       | 2 pin, MIL-C-5015    |
| Mating connector.....       | R6 type              |
| Recommended cabling.....    | J10 / J9T2A          |

### Accessories

1/4-28 to 1/4-28 mounting stud (or customers specified)  
Calibration certificate

### Ordering Information
